

CareHomeWebsites.co.uk is run by Thomas & Jennifer Jeffs.

### **But what else?**

Thomas works in **Health & Social Care** and has done for over 10 years. He works with people with mental health problems, has managed a care home for years and

now manages a service across

#### **East Kent**

which provides support and accommodation for people recovering from mental health problems.

This

#### **business**

has been built up and now has 16 employees, plus volunteer staff.

Thomas lives in **Ramsgate** and is married with 2 kids, 2 dogs, 2 cats & 4 chickens!

He has studied **art & photography** as well as **business management**, & has been making **websites** for years. Having experience in all these areas means he can help other small **businesses** to develop a web presence and change the way **customers** view them.

The photo is a nod towards those of us who need **colour and light to stay motivated**. A bit of sunshine does wonders for the neurotransmitters in our brain!

Jennifer works as a **writer** and runs an online **proof reading service** for writers and small business. [www.foxproof.co.uk](http://www.foxproof.co.uk)
